

# Healing Pretty®

A complete guide to help women prepare for and get through any type of cancer treatment with comfort, confidence and dignity.

## *300 Tips and Resources*

Endorsed by medical professionals, HEALING PRETTY tells you what to expect every step of the way. Learn about fertility preservation, hair loss, post-surgical healing bras, radiation burns, surgery reconstruction options, makeup tips, comfort and fashion accessories, and more... Plus practical advice from cancer survivors.

## *Soothing Calming Inspirational*

Its pages are filled with vibrant colors and original artwork, infused with quotes from celebrity cancer survivors.

## *Keep It With You*

6 x 9 inch soft cover has been designed to conveniently fit into a purse or tote bag.

## *International Appeal*

Healing Pretty has helped women across Canada and the United States, and in countries around the world.

*“Healing Pretty is fantastic. This will benefit so many women and give such a positive and invigorating message of the importance of ‘self’ and ‘well-being’. I actually felt uplifted as I reviewed the book and imagined how women would gain or regain a personal strength in their battle against cancer and the effects of treatment and, ultimately, towards improved physical health and psycho-emotional well-being. Every part of this book from concept, to layout, to content and references is stellar. The photos of the women that have endured treatment and succeeded present an image of hope and well-being that you just cannot overlook.”* Dr. Kenneth Schneider, M.D., F.R.C.P (C), Windsor Regional Hospital, Windsor Canada

*“Healing Pretty was the best gift I received during my treatment. I was terrified of what I found on the internet. This book kept it simple and to the point without all the medical terms and confusing lingo. It was light reading while waiting for appointments; it gave me all the tools I needed to help me through my treatment process.”* Rachel Spadotto, Cancer Warrior, Windsor, Canada
